A SERIOUS LEVEL OF CLEAN

Don't mess around with ingredients that aren't going to deliver the level of clean your consumers demand. Nikken's real food ingredients with natural umami take clean to a whole new level, driving craveability. Incorporate a superfood ingredient like our Seaweed Powder 1914 for the perfect enhancement solution or experiment with our Umami Medley 7503 for mouthwatering umami.

Our products meet an array of clean claims and comply with most acceptable ingredient lists.

Ready to get serious about clean? Nikken's technical experts can take your clean project to the next level. Contact us at technical@nikkenfoods.com.
